AV SOLUTIONS INDIA

ABOUT US

India's entertainment economy is rapidly pacing up and the world is listening! And with this, Home Entertainment in India has come-of-age. India's foremost purveyor of world-class audio, entertainment and home theatre brands, AV Solutions India has set a benchmark in this arena.

"Incomparable Sound, Unparalleled Quality" is what we live by, offering an exceptional audio visual experience to all our clients.

The AV Solutions India entertainment experience is built around 'people's lives' as an extension of their personalities and their allegiance to pure aesthetic pleasure. The professionals at AV Solutions India choose the finest and most esteemed brands from around the world, making it the most preferred one-stop destination for experts of ultimate home theatre technology and super high-end audio video.

AV Solutions India works closely with renowned designers and architects to custom design home theatres to exact specifications in homes, corporate offices or, indeed, in any space.

It's nothing short of a wonder the way our state-of-the-art audio and video brands highlight notes of sounds and rays of vision that you may not have realized, existed before. This sways the listener to an enticing world of sight, sound and beyond.

Hailed among a handful of CEDIA (UK) certified Home Cinema Designers in India, AV Solutions India offers a superlative and luxurious lifestyle experience in home entertainment by bringing together the world's leading brands in vivacious and exquisitely designed spaces.

VISION

To make AV Solutions India, a one-stop destination for the world's finest high-end audio video and Home Theatre brands. Entertain, Excel and Evolve- a motto we value the most, is very close to our heart. We deliver tomorrow's home entertainment technology, today.

MISSION

Our vision is to create exceptional home entertainment space by consistently creating unique experience and fulfilling our customer's needs and interests. Our unlimited passion for technology, service and relentless pursuit of innovation, drives us to deliver radical entertainment in ways that only AV Solutions India can.

Home Theatre

From the simplest to the most complex, AV Solutions India designs, conceives and plans Home Theatre systems for those who can afford the best in Home Entertainment. We offer customized larger-than-life Theatre Expenses. Our CEDIA (UK) certification stands as testimony to our dedication.

You can even enjoy the latest flicks as they happen in your private Home Theatre. We also provide 'First Day, First Show' – Satellite Cinema System with our Home Theatres.
